Letter of Permission for School  
Principal/Teacher

Dear Principal/Teacher:

A program is being planned by NASA Headquarters in recognition of the National Take Our Sons and Daughters to Work Day on Thursday, April 28, 2005. This national recognition is sponsored by the Ms. Foundation for Women to assist young girls and boys ages 9-15 in exploring careers in many fields and to observe their parents and sponsors in the workplace. This effort will assist young people in understanding the work ethic and inspire them to invest in their dreams.

This is a voluntary program and each child will be paired with their parent/sponsor and participate in team activities including simulations, demonstrations and computer workshops.

Please grant permission for \_\_\_\_\_
