

**NATIONAL AERONAUTICS AND SPACE ADMINISTRATION
CHARTER OF THE
AERONAUTICS RESEARCH ADVISORY COMMITTEE
OF THE
NASA ADVISORY COUNCIL**

ESTABLISHMENT AND AUTHORITY

The NASA Administrator established the NASA Aeronautics Research Advisory Committee (the "Committee") of the NASA Advisory Council. Having determined that it is in the public interest in connection with the performance of Agency duties under the law, and with the concurrence of the General Services Administration, the NASA Administrator hereby renews and amends the Committee's charter, pursuant to the Federal Advisory Committee Act (FACA), 5 U.S.C. App. §§ 1 et seq.

PURPOSE AND DUTIES

1. The Committee will draw on the expertise of its members and other sources to provide advice and make recommendations to the Associate Administrator for Aeronautics Research on plans, policies, programs, and other matters pertinent to the Aeronautics Research Mission Directorate responsibilities.
2. The Committee shall function solely as an advisory body and will comply fully with the provisions of the FACA.
3. The Committee reports to the Associate Administrator for Aeronautics Research and to the Administrator through the NASA Advisory Council.

MEMBERSHIP

1. The Committee chair will be appointed by the Administrator and will serve as a member of the NASA Advisory Council. The Committee will be comprised of members appointed by the Associate Administrator for Aeronautics Research. Membership will be selected to ensure a balanced representation of expertise and points of view in aviation, aeronautics technologies, airspace systems, and related government agencies.
2. Members will be appointed for a 2-year term, renewable at the discretion of the Associate Administrator for Aeronautics Research. However, members serve at the discretion of the Associate Administrator.

SUBCOMMITTEES AND TASK GROUPS

1. Subcommittees may be established in areas requiring a standing advisory group under the Committee. Subcommittee members are approved by and serve at the discretion of the Associate Administrator. However, if the Committee is terminated, all subcommittees are terminated. Subcommittee terms of reference will be approved by the Associate Administrator for Aeronautics Research. Committee members will serve as chairs of subcommittees. Subcommittees will report their findings and recommendations to the Committee.
2. Task forces may be established to conduct special studies requiring an effort of limited duration. Task force membership and terms of reference will be approved by the Associate Administrator for Aeronautics Research. Task forces will report their findings and recommendations to the Committee.

ADMINISTRATIVE PROVISIONS

1. The Committee will usually meet two times a year. Meetings will be open to the public unless it is determined that the meeting, or a portion of the meeting, will be closed in accordance with the Government in the Sunshine Act, or that the meeting is not covered by the FACA.
2. The Executive Director will be appointed by the Associate Administrator for Aeronautics Research, and will serve as the Designated Federal Official.
3. The Aeronautics Research Mission Directorate will provide staff support and operating funds for the Committee and is responsible for reporting requirements of section 6(b) of the FACA.
4. Annual operating costs are estimated to be \$270,681, including 1.1 work years for staff support.

DURATION

The Committee shall terminate 2 years from the date of this charter, unless terminated before that date or subsequently renewed by the NASA Administrator.
