

**NATIONAL AERONAUTICS AND SPACE ADMINISTRATION  
CHARTER OF THE  
AEROSPACE TECHNOLOGY ADVISORY COMMITTEE  
OF THE  
NASA ADVISORY COUNCIL**

**ESTABLISHMENT AND AUTHORITY**

The NASA Administrator established the NASA Aerospace Technology Advisory Committee (the "Committee") of the NASA Advisory Council. Having determined that it is in the public interest in connection with the performance of Agency duties under the law, and with the concurrence of the General Services Administration, the NASA Administrator hereby renews and amends the Committee's charter, pursuant to the Federal Advisory Committee Act (FACA), 5 U.S.C. App. §§ 1 et seq.

**PURPOSE AND DUTIES**

1. The Committee will draw on the expertise of its members and other sources to provide advice and make recommendations to the Associate Administrator for Aerospace Technology on plans, policies, programs, and other matters pertinent to the Aerospace Technology Enterprise's responsibilities.
2. The Committee shall function solely as an advisory body and will comply fully with the provisions of the FACA.
3. The Committee reports to the Associate Administrator for Aerospace Technology and to the Administrator through the NASA Advisory Council.

**MEMBERSHIP**

1. The Committee chair will be appointed by the Administrator and will also serve as a member of the NASA Advisory Council. The Committee will be comprised of members appointed by the Associate Administrator for Aerospace Technology. Membership will be selected to ensure a balanced representation of expertise and points of view in aviation, space transportation, and research relevant to technologies for NASA's space-based missions.
2. Members will be appointed for a 2-year term, renewable at the discretion of the Associate Administrator for Aerospace Technology. However, members serve at the discretion of the Associate Administrator.

**SUBCOMMITTEES AND TASK GROUPS**

1. Subcommittees may be established in areas requiring a standing advisory group under the Committee. Subcommittee members are approved by and serve at the discretion of the Associate Administrator. However, if the Committee is terminated, all subcommittees are terminated. Subcommittee terms of reference will be approved by the Associate Administrator for Aerospace Technology. Committee members will

serve as chairs of subcommittees. Subcommittees will report their findings and recommendations to the Committee.

2. Task forces may be established to conduct special studies requiring an effort of limited duration. Task force membership and terms of reference will be approved by the Associate Administrator for Aerospace Technology. Task forces will report their findings and recommendations to the Committee.

#### ADMINISTRATIVE PROVISIONS

1. The Committee will usually meet two times a year. Meetings will be open to the public unless it is determined that the meeting, or a portion of the meeting, will be closed in accordance with the Government in the Sunshine Act, or that the meeting is not covered by the FACA.
2. The Executive Secretary will be appointed by the Associate Administrator for Aerospace Technology and will serve as the Designated Federal Official.
3. The Office of Aerospace Technology will provide staff support and operating funds for the Committee and is responsible for reporting requirements of section 6(b) of the FACA.
4. Annual operating costs are estimated to be \$262,590, including 1.1 workyears for staff support.

#### DURATION

The Committee shall terminate 2 years from the date of this charter, unless terminated before that date or subsequently renewed by the NASA Administrator.
